“ *This is a sentiment for me .Life never seems fair.
Tarina came to play ball on my softball team around the age of 12.
She listened and did every thing I told her- Never any complaining.
She listened when I told her to use two hands when catching the
ball -
Great memories of her and her family !
- God bless Thresia and family

*Adding to my thoughts above. I went thru my photos of our softball
team and found so many memories of Tarina with that young girls'
team. Tarina was such a special person. Years later after she had
moved up to a team for older age groups, I was watching a game, not
knowing she was on the field. I soon saw in one of the players,
techniques such as taking 3 steps forward that I taught her. I knew
immediately it was her on the field! Her demeanor, smile, and kind spirit
will always be remembered. If there was a Miss Congeniality or
People's Choice among that young girls' softball team, it would have
been Tarina!
I cannot comprehend your pain, but God does. Prayers for your
beautiful and special family.

“ *I have known Tarina for a very long time. We worked together at Morrilton Store #8. I was there when both Shaelyn and Trey were born, and I visited after they came home from the hospital. Tarina was a bridesmaid in my wedding. Even after I moved to Oklahoma City, I tried to keep in touch—though sometimes life gets in the way. Still, she has always held a special place in my heart.*

I am truly sorry for your loss. There are no words that can express my deepest sympathy during this time. My heart breaks for her family and friends. I will truly miss my friend.
