“ *We were friends over 30 years ago, BUT I thought of him more often than anyone could imagine. He was such a good friend in a time of great need. One of those selfless, maybe not so random acts of kindness that can alter one's life for the Good. May he rest with Angels and all those who loved him be comforted.*

“ *When Terry and I were at UCA both studying chemistry, we worked at Conway Country Club. While I was destined to flip hamburgers in the pro shop his piano talents allowed him to perform in the formal dining room (I was so jealous). Years later I was fortunate to meet up with Terry again when he joined our team at the health department. Sparing with a keen sense of humor is something that I love and Terry's was the best, no really, the best. I miss him greatly.*

“ *The Lipsmeyer Family*

A few years ago I worked for the Health Dept. as lab secretary in the lab where Terry worked. He would come into my space and chat with me sometimes. I have been retired for several years now, but I still remember Terry as a very friendly and witty guy. I am so sorry for your loss. He will be greatly missed.

“ I'm very grateful to have been Terry's friend. We talked about pretty much everything which is rare. Terry was brilliant and his goodness was genuine under all circumstances. This loss hurts but that hurt is just a measure of what Terry meant to us. My faith says that we all be together somehow in God's care with all of these tears and tragedy gone. Thank you for sharing Terry with all of us.

“ *I met Terry at my very first job doing data entry at CCX in Conway.
We worked the late shift and had so much listening to music hitting
the keyboard to the tune of the 80's. He, Paula, and myself hung out
like the 3 stooges. He always had us laughing...what a gentle soul.
may the peace of God guard your heart and mind forever.*
