“ *Thelma will be missed. She always cooked for us when we visited her with my mother Coneda (Falls). What a wonderful person. Robert and Cleo always had such wonderful things to say about her. I will miss those biscuits and sausage she cooked up for us.*

“ *Jan, I am sorry that it has taken me so long to send my condolences to you in the loss of your dear sweet mother. As you know, we have been at the hospital almost daily for the past few weeks with my uncle. I do want you to know how very sorry I am to hear of your mother's passing. Although I did not know her personally, I am sure that she was a wonderful lady. You and your family are in my thoughts and prayers. It is not an easy thing to give up a mother. My heart is aching for you. I pray that God will grant you peace and that precious memories will always be yours to carry in your heart until the day that you meet her again. Love and prayers. God bless you all.*
