“ *Tom and I served together on the same ship together and he was always looking out for his little brother. The first time I ever went out to sea i became seasick and went to bed but Tom went down to the galley and made me a roast beef sandwich and brought it to me and made me go out on deck where there was a breeze and had me eat the sandwich and after that i was ok. Thank you Tom for looking out for me i love you and will miss you. Jim*
