“ *I am so sorry for your loss. I got the county paper last night and was sadden to see where Tom had past away. My dad, Ronny Campbell, worked with Tom at the papermill and Tom took me for my first airplane ride and I love it. To this day, one of my favorite things to do is travel and I love to fly. May God comfort you all in the days, weeks and months to come.*

“ Tom Geater is my uncle and, as a child, I always looked forward to visiting him because he lived in the country, far separated from the hustle and bustle of a city setting, where you could see the horizon and smell the earth. I always admired Tom's practical skills and genuine nature and have tried to emulate a number of those qualities in my life.

I am going to make it a point, as I hope you do, to speak of Tom often and in the present tense; for it is not Tom was but rather Tom is, in our minds, in our thoughts and forever in our hearts.

“ Betty, Tommy, Tracy & Tony -
My thoughts and prayers are with all of you. I was so shocked when Bill called me to pass the news of Tom's death. Life takes many unexpected turns and my deepest hope is that you will allow God's love to lead you through these tough times ahead without the presence of your beloved husband & Dad.
May God's blessing find its place in each & every one of your hearts, Judy

“ Betty, I am so sorry to hear about Tommy. I only met him once I think, but he lived in the next block from my late husband when they were growing up. Bill purchased a car from him one time and when Bill picked it up, I met Tommy. I know that Bill thought highly of him. I knew Bill however as he went to the same church as my Bill did.

Sincerely,
Betty Ruth White

“ I was shocked to see Tom had passed away. I worked with Tom for some 30 years at AKC. He was one of the best crane operators that Kraft ever had. He was one of a kind. My prayers and heart goes out to the family.
