“ *Mr. Earl will be missed by all who knew him. He was one of the folks was the same every time you saw him, didnt matter if he was drinking coffee at the store, or working on something at home. That is a quality in people that is quickly fading in or society.*

“ *Earl Green was a great man who cared for others. When I was a very small child he married my Mother, Melba, she had 5 children, he took care of us like we were his own children. I have always thought of him as my "DADDY" and I always will.*
