

Timothy James (TJ) Bruck

August 23, 1962 - April 7, 2025

Timothy James (TJ) Bruck, 62, of Nimrod, Arkansas, passed away Monday, April 7, 2025. He was born August 23, 1962, in Dalhart, Texas, the son of Theodore Emil "Ted" Bruck and Bonnie Virginia Young Bruck. TJ was multi-talented, a man of many trades. He worked as an inspector for Garver Engineers for 19 years. He could repair anything from tractors to heaters to kids toys. If it was broke, he could fix it. He was a bird hunter, gunsmith, surveyor, and gifted trap shooter. He had recently been certified as a journeyman bladesmith and enjoyed making knives for family and friends. TJ loved inventing and repurposing things. He loved the outdoors and working on his old jeeps and other adventurous projects. He also loved his grandchildren so much and sharing donuts with them. He loved his buddy Bullet, checking on the cows, and watching the deer around the house. He marveled at the natural wonders that can only be seen by living rural including the milky way, northern lights, and meteor showers. He will be missed, but we rest knowing we will see him again.

He was preceded in death by his parents, Ted and Bonnie Bruck and brothers, Mike Bruck and Joe Bruck. He is survived by his loving wife, Georgia; sister, Jeannie (Dale) Baldrige; children, Meagan (John) MacLachlan and Keenan (Alex) Abner; grandchildren, Maddie (Austin) Martin, Holly, Poppy, and Lily MacLachlan, August Abner, and Asher Martin; special friends, Melissa and Wade Bass, Petey and Renae Chambless, and Billy and Jill Yates; and a host of nieces and nephews.

A memorial service will be 2:00 p.m. Friday, April 11, at the Harris Chapel. The family will receive friends one hour before the service, at the funeral home. In lieu of flowers, donations may be made to American Bladesmith Society.

Tribute Wall

“ I briefly met TJ through his sister, Jeannie, but he was so nice and kind. I know he will be greatly missed but there is comfort knowing he is receiving his eternal reward at the feet of Jesus for eternity.
