“ *We only had recently met Tim when he attended Marvin's birthday lunch. Our family is deeply saddened by his death. We had looked forward to visiting and getting to know him better. We have a nice picture of Tim at the table from Sunday, September 20th, 2009. He was very happy that day. May God give you strength in the days ahead.*

“ Dear family of Tim Powell,  
I want to express my sincere condolences.  
I pastor Apostolic Tabernacle of Benton, AR. Tim had come to church a few weeks ago. He received a great blessing that day. He did some work for me and one of the men in our church and we began to feel very well of him. I introduced him to a friend of mine who is a painter and he has been working for him the last few weeks.  
I truly regret that I did not learn of his accident in time to go to the hospital. I just had cataract surgery, but I am intending on getting a ride to the memorial service.  
Either way, I want you to know that I pray for you as his family during this time. The last time he was at church, he had told me he was trying to get enough funds together to go see his family in Georgia.  
May you receive the grace and comfort of the Lord Jesus Christ which he makes available to each of us that receive him.  
Love & Prayers,  
Pastor J. Emerson
