“ *I had the privilege of working with Tommy for 6 years. Drove dump trucks with him for the county for three of those years. He was a hard worker and a really good operator. He could run any piece of machine we had. He was a real genuine person. Always checking on me and my daughter wanting to know how we were doing or how she was doing. I knew him as Babyface that was his CB handle it was an honor to work alongside him and follow him around the county hauling gravel he always had you laughing wherever you were. He was something else. See you later buddy. Love you brother
