“ Tony was a good man, i met Tony when my parents moved here, and then i moved into my parents house. One of many fond memories i was growing my first tomato plant , well i ended up with the small cherry tomatoes, i went out early one morning and there was what looked like a big tomato, when i looked closer Tony had tied an apple to my tomato plant .. Tony made you laugh, he was a practical joker and has made life fun living here. Tony and Glenda and everyone of you hold a special place in my heart you have made me feel welcome like part of your special family .. my prayers are lifted for Glenda, Joleeta(Rocky),Kaley (Garrett), Evan and Anna, Victoria, and Gabe during this difficult time, for God to give you comfort.
