“ Uncle Tony will go down in history as the most Ornery man I've even known. I have many memories of him as a kid, but the one that's stands out the most.

He was a grinch who tricked us kids that the grinch was gonna come out if the little hole the ceiling at grandma Margaret's house.

Uncle Tony was the grinch who actually stole Christmas, took all the presents from under the tree. We slept on the floor in the living room and tried our best to stay awake to catch the grinch.

Unfortunately Uncle Tony was a sly ole Grinch.

He did bring our present back. So the grinch had a ❤️ .
