“ *I met Mr and Mrs Meador many years ago as their Veterinarian. Two of the nicest and kindest people I had the pleasure of working for. They loved their animals and I always enjoyed their visits. My son is a Pharmacist at wallmart and one day before Monte passed away he asked if I knew the Meadors from Hattievile , I said yes why do you ask and he said "they sure are nice people". So sorry for your loss, praying for Gods comfort to you.*

“ *I am saddened to hear this news of Treva's passing. I had the pleasure of working with Treva at the Ark. Hwy. Dept. for many years. We were co-workers in the Public Affairs section. I remember Treva always with grace, kindness, and elegance. We attended many public hearings together over the years, as a result had many conversations of her three wonderful daughters she was so proud of. She invited me to camp at her property at Petit Jean which I never did and wish I would have. I did not get to visit with her after she moved to Hattievile but, her professional way she acted and carried herself, with her strong belief in God gives me the confidence I will see her again someday to start our conversations again. It was an honor to know Treva and I will miss my friend. Respectfully, John Jackson (Isaiah 40:31}*
