“ *Mr Troy was always so kind and attentive to my mother n law for several years that she was a proud owner of a Lincoln from Allison Ford. Marge often would wait for Troy if he were busy or with another customer, or out to lunch. She always bragged on him being not only the kindest but the smartest and BEST employee at Allison Ford. From a funny sound to an oil change, it HAD to be Troy to take care of her!!! ((and actually we were all glad too, as we knew her and her precious Lincoln were very well taken care of))* ❤️
Respectfully yours ~
