“ Dear family. First I want to apologize because we couldn't make the funeral for Tyler. We had a family emergency in Tennessee Friday and may not be home til Tuesday. But I want you to know that I dearly loved Tyler as a student and later a friend. He was the sweetest guy and I always knew he was a great guy. He was in my first period class and we all enjoyed and loved Tyler. I have been so heartbroken over his loss and would never have missed saying goodbye to him if we hadn't had to leave the state. My heart and prayers are with you all. Remember Tyler is waiting on all of us in paradise. He was so special and such a hard worker. He will never be forgotten and I know his loving memory will be in your hear as well as mine until we meet him again. May God Bless all of you.

“ Dear Family, we are sooo sorry about Tyler. He was such a loyal friend and student and later friend of mine. I cannot imagine the hurt hurt and pain you all are feeling. I want to apologize to you all for not being at the funeral today. We had a family emergency last Friday in Tennessee and will not be able to return until Monday. We are so sad at the loss of this dynamic young man. I could always count on him to do the right thing in class and loved him as my own. I'm going to miss seeing him so much. May God Bless and keep you all. He will forever be in our hearts and memories. Prayers are said. I cannot imagine. Condolences and love to all. May God Bless you all and we will see him again in paradise.
