“ *My heart felt sympathy to all the family,  
Like most of the Strouds, Ulysses was soft spoken and very kind  
man. As a kid I enjoyed being around him, He was also a sharp  
dresser.*

“ *Jim , Julia, Linda ,Josh and Jayme I am sorry for your loss, Ulysses  
was a special person to me. He served on the Scotland School  
Board. He did not talk much, when he said something it meant  
something.*

*I think he was on the school board, 12 years.*

*Jim and others in the family. I did not get to go to the funeral. I have  
a terrible case of bronchitis. I did not know Mildred until three days  
had passed God Bless all of you. A friend, Jess Huffman*

“ Jimmy, Julie, Josh, and Jayme,

*Words are inadequate to express our condolences for the loss of your loved one and the sorrow, emptiness, and pain you are experiencing right now. Although we did not know Mr. Stroud, evidence of the kind of man he was abounds in the four of you and how you live your lives. Your tremendous work ethic, generosity of spirit, love of your fellow man, love of laughter, and dedication to family. What a glorious life you must have observed him live and how much you must have learned from him during the many long years he was blessed to live. Oh, but that we all should be so fortunate as to have this kind of parent for such a long and productive life.*

*Know that in the coming difficult days you will be daily in our thoughts and prayers.*

*Walk with God,  
Eric and Jamie Armour*
