“ *Gerald and Una Faye were two of my favorite people on earth, pretty much from birth I believe. I didn't get to Arkansas much, especially in adult years, but it wouldn't be a visit without spending at least a day at their warm and welcoming home down the way from Metoo's(Glenna) house. Of course the day would consist mostly of eating the wonderful delights always plentiful at their home, and laughter, laughter for days. Those two were both very funny people. I will never forget my time with Gerald and Una Faye, and will keep them both close to my heart. Heaven is a very lucky place. ?*
