“ *Meeting Mrs. Gordon 29 years ago was a treasure. Mother took me into Blue Ribbon Shoe Store to buy me a pair of birthday shoes. I had just moved to Morrilton and didn't know anyone but family. Mrs. Gordon made me feel welcomed and special. I later hired her granddaughter to work for me, not knowing she was her grandmother. It was a treat to be associated with this family. I pray for this family in this hardest part of life and send my deepest condolences to Shalene. May Mrs. Gordon's memory be for a blessing.*

“ This was a very nice and beautiful lady. The entire Gordon family were great folks. Her son, Larry, and I were good friends in our early elementary school years. Also Gary McVey was part of our group. I did not see much of Larry in high school. If my memory serves me correct, Mrs Gordon worked during the Roy Chaney pony sales at the old "sale barn" cafe. I know a lot of you do not remember the Sale Barn. Larry and I would go there for lunch and get a hamburger. Best in Morrilton!

*Great memories of a good family and my friends.*

*I send my deepest sympathy to not only Larry but the entire family. You will always have chin quivering days for a remembrance of a Mother, but you will see them again.*
