“ My grandpa, Carl Henry, always had amazing things to say about Vernon. He has always been pretty close to the Kirby's. I'm very glad that he has. When my husband, Joe Holmes, and I moved in town in 2008, my grandpa was able to help my husband get a job with some of the best people at Kirby's Heating Air Conditioning of NLR. We are so blessed to have known such an amazing man and his family. Vernon, along with his whole family, have always been more than accepting and generous; always looking out for everyone else first. Our hearts and prayers are with you all on this day that the Lord has gained another heavenly angel! God Bless, Joe Holmes & Family and Carl Henry & Family
