“ On behalf of the staff and physicians of St. Anthony's Medical Center in Morrilton, I send deepest sympathy to the family and friends of Vicki Buchanan. She and her husband, Dr. Thomas Buchanan were pillars of the medical community and contributed many years of service to us all. May we always remember their sacrifices of time for the individuals served and a community made better by their commitment to patients, family, and friends.

“ I, too, send my sympathy. Vickie was one of my friends since Southwest Junior High and through our graduation from Central. Although our communication in recent years was only through Central reunions and email, I have always considered her a faithful friend. I am so sorry for her too early passing.

Sincerely,

“ I am so sorry for your loss. Vickie and I lived a block away from each other when we were children and she was a member of my Mother's Brownie Scout Troop and Girl Scout Troop. We went through elementary, junior, and high schools together and then I moved away from Arkansas. When I moved back it was wonderful to meet old friends all over again and she was one of them. Vickie will be sorely missed.

“ I would like to convey my sincere condolences to you all in the loss of your mother. Vickie and I became good friends during the time that Dr. Buchanan and my husband, Bob Wegner, had dialysis together in Conway. We spent many hours talking while waiting on our husbands; we did this three times a week. She was truly a courageous, loving wife, mother and grandmother. She will be missed.

May God hold you all in the "hollow" of his hand.
