“ *To my Aunt Ann and Family, My thoughts and prayers are with you and the family at this time. Virgil was such a sweet man and delight to be around. I will always remember how happy he was about his veteran's quilt and what it meant to him. I know you all will miss him dearly. The folks at the singing on Saturday night at Jerusalem will miss that beautiful voice. Love to all and God Bless!*

“ A great man who will be deeply missed. I know he was loved by everyone who knew him. Although I was only a nephew, he was like a father to me. Virgil taught me the values of hard work and helping others. I am very sorry for our loss. I get some peace in my heart by knowing that he and my Dad will be catching the largest Crappie you can imagine

“ Virgil was one of the first people I met when my parents and I moved to Jerusalem in December of 1974. He was my bus driver. A nicer man has never been known. Thank you Virgil for making the "new kid on the block" feel welcome. I know you will be missed. Fondly, David E. Hales
