“ Virginia was a very dear person. Fun loving, always cheerful, and a good golfer, which is where I first met her. I always enjoyed being in her golfing group. My sincere sympathy to the family.

“ Virginia has been my good friend about as long as I can remember. What a great positive lady she was. And a terrific athlete. We played high school basketball together and lived on the same dorm floor in college and have continued to work together with others on a college scholarship for Arkansas Tech girls. We had such great fun. Shared some good laughs every time we talked on the phone. I loved her so much and miss her already. God bless all her children and family. How devotedly she loved you. Rest in peace my dear Forever Friend. Lou Nell McCraw Davis

“ Sincere condolences to the family. I am so very sorry for your loss. May God provide the necessary peace and comfort to your family and friends during this difficult time. Please remember these words of encouragement from the Bible: “ Jesus plainly told her: “I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life.” —John 11:20-25.

“ Loved Virginia since she first welcomed me into the family when I married her Nephew Will Owens 58 years ago. The two of them felt like Brother and Sister as he was an only child and she was the youngest growing up alone. Will and Virginia were so blessed to have so many fun experiences growing up together and enjoying each other all the years since. Words cannot describe how much we will miss her! Sending prayers and deep love to the Family. 🙏❤️
