“ *Mrs. & Mr. Polk lived on our road for as long as I can remember and I was born in the 70's. They were the sweetest people. I remember Mrs. Polk from church. She always had a smile for you. My husband would honk at her when she was on the porch and she would always wave at him. We will miss having her in our community. ❤️*

I don't remember a time when I didn't know her, she was always such a dear lady, rocked and cared for many babies in the nursery at lonoke, she loved her coffee strong and black, we shared many good times and memories...she will be missed by all those who were blessed to have known her
