“ *Dear Paul & Mike McNabb I was so sorry to read of the passing of your mother, Walsie and your father, Berman. I have been looking for Berman Elton McNabb for 2 years now and sadly he has passed. Roy Bernard McNabb is the son of Berman. Roy is my dad, when my dad passed in 2015 I started looking for Berman. I would love to hear from you. Mathew*

“ Dear Paul, Mike, & Family:

I was so sorry to read of the passing of your mother, Walsie. Although, I was you're coach for only one year at Scotland, I still remember a lady by the name of Walsie coming into the gym and thinking I was one of the players. She wanted to know where the coach was. Smiling! Being 21 years old, with a flat top I did look like one of the players. I always liked your mother. Those were good times at Scotland. Paul and Mike, I enjoyed coaching you and will always cherish my one year at Scotland. You may not remember me, but I remember you well. I went on to be a school superintendent for 33 years and enjoyed most all of it. I'm retired now and live in Conway, Arkansas with my one and only, Lena, who I was married to when we lived in the trailer on campus there in Scotland. I'm always interested in what my formal students are doing and what they ended up doing for a career.

I know Walsie was proud of both of you and know you will miss her. Please know that you are in my prayers during this time of sorrow and grief. May God comfort and show you His love at this time. I wish I could be there but didn't find out about it until reading the paper tonight.

Another thing Paul! Remember the senior trip to Panama City. You got blistered really bad. I was afraid Walsie would tear into me when we got back to Scotland, but she didn't.

I'm the person I am today because of people like your mother from Scotland, Arkansas. A lot of fond memories were made there.

God bless you and go in Peace.

A friend,

“ I will miss you Granny. I will never forget the time that Little Mike and I didn't want to quit fishing when it became dark and you drove Grandpa Berman's truck down to the pond so that we would have some light to keep fishing. I will always love you. Tell Grandpa Berman that he is missed at the "Rook" table!
