“ I'm so sorry to hear of Walter's passing.  
Walter worked with my husband at Frigidaire and then he would trade with us at our convenience store. We were talking g one day and as it turned out we discover3d that Walter Graduated high school with my father, Gary Derrick in Orosi Calif.  
He was always a quiet man but we had many conversations of his past.  
May his memory be held for a great blessing.
