“ So much of my childhood encompassed your mom and family. So many fond memories of times we shared together.

What I take from your mom most of all is her strong bond with her sisters. The times they spent together and the ties they made with their children.

I miss them and those times very much! I hope they are all happy to be together again in Heaven.

My prayers and tears go out to all of you left here to go on without her. I will always be here for you! Love you!

“ *Dear Sam,
Mel and I are so very sorry that precious Wanda was taken from you and your family so suddenly. Our hearts are broken for you. You had 54 years together and one day you will be reunited in Heaven. I will miss my "sister", Wanda. She never had anything bad to say about anyone. Always a smile on her face. She had the sweetest heart of anyone I know. Time shared with the two of you was always so special for us.
On Credit Trips, she and I always checked out the Christmas shops, or Christmas decoration areas in stores, and talked about how we enjoyed decorating for that special holiday. And special attention was paid to the various Angels.
Mel and I were honored to be able to attend her service in your lovely church. It is such a peaceful area surrounding it.
Wanda is safe in God's hands now. She is watching over you always.
Mel sends his thoughts and love to you and your family along with mine,
Pat*

“ To know Wanda was to love her. She was such a loving and special lady. I believe she was truly an angel on earth. Her faith in God was extraordinary and she strongly professed her faith. Wanda loved her Lord more than the average person. She was such a devoted wife, mother and grandmother. You could see the love in her eyes when she looked at her loving husband Sam. You could see the pride and joy in her eyes and even hear it in her voice when she spoke of her children and grandchildren. Wanda, I want to try and follow the example you have set for many women. I love you and will miss you.

“ Dave and I are so sorry that Aunt Wanda has passed on. She and mom shared so many mannerisms and had similar looks which always reminded me of my Mom, her sister Minnie. They were Wanda June and Minnie Mae. As others have noted, she always smiled and never had a harsh word about anyone, I always admired that. I know that Mom, Aunt Jimmy, and Mama Fox were waiting for her with smiles, the Fox girls reunited. I remember on visits that she was a wonderful cook and would send food with me, I always appreciated that, especially her pasta. From my early visits when in college to the later ones with my husband, I have nothing but good memories. It was obvious in the later visits that she and Uncle Sammy enjoyed each other's company and were still very much in love. It was a pleasure to be around them. Uncle Sammy, Karmann, Darlene, Persia, Sam, Mike, and your families, we are so sorry for your loss and will keep you in our prayers. Knowing she is not here anymore leaves an empty space in our hearts too.

“ Dear Sam and Children: We are saddened to hear of Wanda's death. We so enjoyed seeing you both at our WMHS 55th Reunion in April. I always loved and enjoyed my friendship with Wanda in high school. I have never known a sweeter person who was so genuine in her friendship. We know she left a wonderful Christian legacy for her children and grandchildren. We know you shall miss her sweet smile, but our Lord promised a Heavenly reunion and He keeps His promises!
