“ *I really enjoyed working with Wanda at Arrow Automotive. She possessed such a unique personality, always witty and happy go lucky! I never knew of her not wearing that big smile and being so full of life. She loved her job and her Arrow family so much! We all loved and appreciated her in return. I pray God will give you all comfort and peace during this difficult season. (I loved the Arrow picture, that's how I remember her.) --Psalm 121--*
