“ *Miss Wanda was such a sweet lady and a blessing to know. Think of her and your family when I drive by their home every day on the bus. Definitely a mansion waiting for her. Lots of great and fond memories visiting there. God Bless and comfort your family. This is all temporary and we will soon join our loved ones ourselves soon. Love, Barry Stane*

“ *Sis. Wanda was one of the most loving and gracious ladies I have ever known. I remember when she kept the nursery at Houston Assembly of God and loved those toddlers like they were her own. I will miss her. Love to you and your family.*
