“ Irma, I really was looking forward to the time that barb and I could go down there to visit you guys. I would have really enjoyed meeting wayne, seems like we did a lot of the same things. I belonged to a fire department until it got to where I couldn't handle the smoke. I was a mechanic liked to fish and camp. I'm sorry this happened, but it will work out. take care Irma.....john

“ *My lifelong friend may be gone from this earth but all the memories we created over so many yrs of working, fishing, and hunting together will never be forgotten. I will miss you my friend but only til we meet again. As you did here on earth I know without doubt you are giving hugs and smiles to all those mutual acquaintances gone before us. I will see you when I too am called to be an angel.*
