“ *My sincere condolences to Kenny and family. Steve and I thought a lot of your Mom as did our son, Steve Jr, who was a part of the “ Blue Ribbon Shoe Store” family. He related lots of stories about her and the influence she had over him. May the good Lord give you peace and comfort.*

“ *It has been my honor to have had the chance to know this lady. She would put a smile on my face every day. Her favorite thing was everytime i would come in the building on her hall i set the door alarms off and they ring really loud and as soon as i set foot in the building she would say loudly " Its just Robin making all that noise, she cant help it" she would just laugh and i would go over and hug her neck and ask her how she was doing and tell her i loved her. This was a daily thing for us. she made my days at work much brighter and i will truly miss this wonderful lady. My thoughts and prayers are with you.*

“ I remember growing up we always went to Blue Ribbon to buy our shoes. The first face we usually saw was the smile from Ms. Dean. She was always helpful and I will always remember her. Praying for all family during this time of sorrow. Praising God that Ms. Dean was a child of the King and she will be reunited with us that are children of Jesus someday soon.
