“ *Randall & Judy & family, There are no words that can make the hurt go away. That comes with time. Just remember that he is not hurting any more. He is with God now and you now have a guardian angel up above that is looking over you and watching and taking care of you. And you can talk to him any time you want. As long as you have your memories you still have your daddy, grandpa, husband, uncle and he still loves you.*
