“ I just saw where Billy passed away and I am. So sorry for your loss. I was one of his home health nurses before I retired. I enjoyed our visits together.

Of course I have known him and his family most of my life. I remember growing up around the Belk family and Billy and my brother used to hunt together back in the days. Any time I saw Billy he always was kind to me and he would ask about my family. I will keep you in my thoughts and prayers through these hard times . If I can help in any way please do not hesitate to call me
