“ *I knew cousins Buddie and Johnny from our visits to Family and especially Martindale Cemetery where he was very active seeing things were done well. I was the age of his brother Van but remember the time watching the older boys (Buddie...) get fish from the part of the Maumelle where Uncle Dan did not take us fishing. That area was near his home and where Uncle Ray would take us White Bass Fishing when my kids were about 10. He and other cousins really made us feel welcome when we visited. We will miss him. John, Aunt Jewell's son. (It was always fun to sit on Aunt Bell's porch and see who would come by on Memorial Day Homecoming and see Buddie's home from there)*
