“ *Bill I sure do miss you. I admired you so very much. There's not a day goes by that I don't think about you and the circumstances that kept me from you , but I know you understood. You are with me everyday inside my heart, in the wind upon my cheek, in the rustling of the leaves and in the warm rays of the sun.I know you are looking down upon me and I can hear you saying as only you could do... Girl I sure do love you. I love you too Bill.*
