“ *I always thought Bill's love and devotion for Loeva was heaven sent and was returned to him by her. I admired and loved them both and feel so fortunate to have been friends for the past 17 years. Bill's sense of humor came out the first time I met him. His death is such a loss for so many until we all meet again.*

“ *Loeva, Billy and Kristy, I am so sorry to hear of Bill's passing. You all were the first people I met when I moved to Little Rock. We had such good times at the races. Bill's laughter was so contagious, I can still hear him. My thoughts and prayers are with you always.*

“ Janie and I have so many memories of Bill over the years. Too many to select just one that would do justice in describing him and our love for him. But he always revealed his heart no matter what the circumstances that caused us to be together. Without fail he made sure everyone in the sound of his voices knew two things for certain, he loved Loeva and he loved his Lord Jesus. He was ever gracious and encouraging to us even when he was struggling mightily. He was kind and dear man and the world will be a darker place without the “light” he shared from his very soul. We look forward to the day we get to see our friend again.
