“ So sorry to hear about the loss of your father, although he is in a better place now along with your mother, I bet they are talking about what a good job they did raising their children.

“ Dear Bob & Mary Kay,

It's been a long time since high school, but wanted to send my condolences to you both.

I would frequently see your Dad at the post office in town; he always kidded me about retiring early. He always had a smile on his face and a joke to tell.

Again, my sympathy for your loss.

*My prayers will be to you,
Eddie Wilkins*
