“ Dear dad so appreciated you and how you lived your life, such a man of faith and how you loved your family. You will be missed by so many. Thank you for allowing me to preach your funeral... folks will know you preached it while you were alive. You left a legacy!

“ Buddy and Helen were always nice to me, Buddy was always quick with a smile and a joke for me. When he married Mrs. Willard they were so sweet holding hands in Walmart, walking around the loop. It's amazing when you can find happiness twice in a lifetime. His honking the horn, waving will be missed.
