“ *Most of my memories come from vurl him and my dad danny ray wofford where really close and were just always stopping at the minnow shop spending time with him. As a little boy I just loved seeing him in his straw hat waving at everyone who went by.he and his sister Christine making her famous pies for me with the merengue topping. Love always from the bottom of our hearts from the woffords. See you in heaven. Love Clifton Wofford*

“ *Bonnie was a fun-loving and sweet cousin. We had a lot of fun and exciting times with her over the years. Last week, we were able to celebrate an early birthday with a cookout on her deck. She commented several times that she enjoyed the fresh air and sunshine and looking out over the lake. She told us numerous stories of her family and grandparents that she loved.*

Before we left, she told us again of her faith in Jesus Christ and that she had accepted Him as her personal Saviour years ago. We will miss her and look forward to seeing her in heaven.

Our condolences go out to her nephew Allen and her sister-in-law, Marilyn. Also, thanks to Patsy,her friend and caretaker we were able to visit with and drove her to Kansas the last years, so that we could see our cousin, Bonnie.

“ I extend my condolences to the family and caregivers of Bonnie. I have known Bonnie for a long time and was negligent of spending time with her in recent years. She was a fun person, full of live and information. I worked for her at the Perry County News as well as in her home in the 1960s. I will always remember her friendship.
