“ *So sorry that I can't make it there to be with you all. Wylene was such a sweet lady and always had a smile on her face. When I came back to visit she always asked about my family. It will seem strange when I come back not to see her. She will be greatly missed. My prayers are with all of you as you grieve her loss.*

“ Hettie Lou, Benny and Martha and families, I feel so blessed by having your mother a part of my life. She was such a kind lady, especially to the little children Wonderview School. I will cherish my memories of her as I worked with her and as a mother, grandmother and great-grandmother. May God bless each of you.
