“ I was one of her students at Bigelow High School. I still use what she taught me every day.

With deepest sympathy.

“ I had the privilege to work with lone as a teacher and her administrator.

She was always an advocate for her fellow teachers and her students. She cared for her students. Jo Ann has many memories from her classroom.

She became the first counselor at Bigelow. A job she really enjoyed. Me and Jo Ann and our whole family extend our sympathy and love to her children, Jimmy, Jeannie, Molly and Christy.

“ I remember when she gave me a chance at learning how to cook. In Home Economics Class she taught at Bigelow High School, she had me making salads for the first two years. Before she finally let me make strawberry jelly in a microwave. She even had my little sister Anita help me. It was always a good experience in her class and she treated each student with understanding and respect. I will always remember the words she wrote in a cook book she gave me for graduation. "Good luck in all your future endeavors." I hope to endeavor to be as understanding as she was.

“ Mrs. Johnson was a wonderful educator for probably most of bigelow and surrounding areas that attended BHS. I met her and her family as they attended our Pentecost church at Bigelow. She highly respected in the community and has put mega stitches in quilts that finished family guilt tops moms and grandmother's passed down to generations and hold dear to their hearts. She was gracious, blind, big hearted and truly lived a Christian life as examples to others as she touched my heart and many others. As the verse says, to be absent from the body is to be present with Christ, I'm sure her homecoming was a Huge event when she arrived.
God bless her children and grandchildren as they go thru their loss grievance process.
