“ Zeta was a wonderful person and great friend to have. My girls and I have spent the last 10 yrs visiting with her before our family reunions. Zeta loved to show us where both our grandparents had lived in the Oppelo & surrounding areas. We spent many hours working on our family genealogy & had made plans to visit Alabama where our grandparents were from. Altho our trip was not to happen, it was meant for our lives to cross paths. Zeta will be greatly missed by all, and was an honor to have as my cousin.. She was taken way to soon... R.I.P. Honey we love you.

“ Over the last 15 years or so, Zeta has helped me with our family genealogy. We spent hours on the phone and at family reunions. What a joy for me to have shared those hours with her. Sweet sweet lady! May God give you, her children, peace and a comfort that only He can give.
